Surgeon

Commanding.

N. B. When a Soldier has lost an Eye or Limb, or has been wounded or disabled in the Service; the Discharge must particularly express the Cause from whence proceeding, as when, where, and how it took place. Should any Mark remain in consequence, it is to be noticed in the Man's Description; the Surgeon, or Assistant Surgeon in his Absence, will sign his Name in the Margin, opposite the Cause assigned for the Discharge being granted, which will be considered as his Certificate of the Man being unfit for further Service, and he will also countersign the Commanding Officer's Certificate above. The Period of Service in the Body of the Discharge, is to be filled up in Words at length and not in Figures. Service prior to the Age of Eighteen, is not to be included in the Statement.
