Sir,

About 20 years ago the south west 1/2 of Lot No. 114 on the 2^d concession of 1849 was located to a man of the name of John Graham. Graham is in the States where he has resided for about 17 or 18 years - previous to his going he disposed of his right such as it was to one ~~John~~ ^{Francis} Macleate - from whom I purchased the right about 6 years ago. I have been living on the lot for the last 6 years and have put up a house & buildings. I am now desirous of paying for the lot - but the agent at Peterboro says he is not authorized to sell it. I have therefore to request that you will be pleased to inform me what steps I am to take to get the lot - as neither the man who had originally located it - nor Macleate to whom he disposed of his right said to help ever look after it - and the improvements made on it have been done by me.

I have the honor to be

Sr

Your most obedt humble servant
John Lynch.
